

Over the years, MAD has been called moronic, immature, stupid and even moronic. And we're sick of it! Which is why, to improve our image and better our situation, we've hired ten Pulitzer Prize-winning editorial cartoonists to illustrate the following article. Will this teaming smarten up MAD's image and elevate the discourse — or simply ruin the careers of ten once-respected artists? What do you think???

# WHY GEORGE W. BUSH IS IN FAVOR OF GLOBAL WARMING A MAD EXPOSÉ

To his feeble mind, decades of hot, baking sun  
are just the thing to finally dry out New Orleans.

ARTIST: BEN SARGENT; AUSTIN AMERICAN-STATESMAN PULITZER PRIZE 1992

Those 130° Texas summers they're predicting should be just the thing to keep those annoying protestors off his back.

ARTIST: STEVE BRENN; SAN DIEGO UNION-TRIBUNE PULITZER PRIZE 1998

All those flabby, lumbering polar bears that activists want to save remind him just a little too much of his annoying arch-nemesis Michael Moore.
